His levels need to be adjusted so they match MEG's. He was asked to create another Demo to be reviewed by Chris and Mitch to demonstrate that he could keep the demo to 30 minutes, his original demo was 40 minutes long.

Mike Butler's show is scheduled to Broadcast live on Sunday at 2PM to 3PM and rebroadcast on Fridays at 10AM to 11AM

Patricia Worth has asked to extend her show from 2 hours to 2 and a half hours. This was approved by the committee.

There was a discussion about having Programmers record short show promos.

The programmers meeting was discussed and an agenda was created for the meeting. Programmers will be asked to hype the station re-birth, volunteerism, and the fund drive.

Mark has been checking into underwriters and has found that many haven't paid in the last year and he estimates lost revenue at more than \$10,000.

Many unpaid underwriters are still getting their messages on the air. Mitch will look into it and Mark will continue to check on underwriters.

The next meeting will be Wednesday May 23 at 5PM Café.
