Starting 5:03 p.m. Attendees: Liz Vann, Cara Biess, Joy Walden, Stevie (Stephanie) Peavey, Steve Moramarco, James Mahoney, Mark Parsons (unexcused), Ryan Good (excused-sick)

Approval of February minutes with revision to remove Stevie as unexcused absence.

1. Shar's demo review- The demo felt a little scattered, similar issues to last month but it did improve. Shar conducted this demo 100% on her own. The show was approved but with conditions that she needs to improve in a few areas discussed.
2. Peter Levine was in attendance and discussed networking issues in Studio A not connecting to the MEG. We also discussed tech issues that have occurred through Djs messing with equipment.
3. Bisbee Poets Podium by Helen Lyons and Betty King demo review- This was approved unanimously. Steve Yoder will be contacted to slot this into our MEG system. They'd like to roll this out during April's Poetry Month.
4. The board approved of Earth Riot Radio weekly each hour. Liz will coordinate with Steve and Peter about the time slot. Sundays from 4-5 pm weekly.
5. We will table the Tectonic syndicated show vote for next month's meeting.
6. We discussed the importance of having a less formal way for Djs to communicate with one another. WhatsApp or Signal are options and Liz will reach out to every DJ for their consent in asking their info be shared amongst other Djs.

Meeting was adjourned 6:20 pm. The next meeting is April 8 at 5 pm.
