- 2. Vote and discussion on Quaker Home Companion show by Steven Cosand.** The demo was approved and discussed. This will be in the safe harbor window and Liz will go over the additional safe harbor disclaimer to read at the beginning of his show. The show will be Monday nights from 10-midnight. Replay on Friday nights at the same time. First show will be Monday, Feb 23rd from 10- midnight.
- 3. Vote on Bisbee Poets Podium Show by Betty King and engineered by Helen Lyons.** This show will be put into the MEG rotation and runs from 5-14 minutes long. The demo was submitted the day before the meeting and not enough committee members were able to listen to the demo. This was tabled for a vote for the March committee meeting.
- 4. Discussion of Earth Riot Radio Syndicated Program.** The Programming Committee tabled this free syndicated program for a March vote.
- 5. Discussion of Tectonic syndicated program.** The Committee decided to table that as well for a March vote.
- 6. Vote to remove Pacifica syndicated shows “This Way Out” and “WINGS.”** Due to our yearly Pacifica dues at \$500 with only two syndicated shows left and no other real advantage of a membership, the committee voted to remove both programs from our KBRP schedule. This also enables us to make room for more djs as we have 3 currently in training.
- 7. Adjournment**

Liz moved to adjourn, Cara seconded. Meeting adjourned at 5:45 PM.
