Monthly Meeting
Wed. February 14, 2024

The meeting was called to order at 5:30PM by Stephen Yoder, Chair

Present: Stephen Yoder, Joy Walden, Stephanie Peavey, Kirk Reynolds, Mark Parsons

Absent: Joe Graca (excused), Jahfree Lambo (?)

Guests: None

1.) Elect a new Committee Chair:

Joy Walden volunteered to act as Chairperson of The Program Committee. She was approved unanimously. Joy's term will begin to begin tomorrow, February 25, 2024

2.) Steve Yoder reported that The Unscaled Travel Show will begin airing this coming Friday morning (2/16) at 8:00 AM, between Democracy Now! and The KBRP Weekly Magazine. The show will be evaluated after 3 months to determine how well it's received and whether or not to continue it. The program is received at no charge to KBRP.

3.) Steve Yoder reported that, after hearing what sounded like some genre screw-ups during one of Meg's automatic playlists, he has started to go through the entire Meg script for each day of the week to get rid of unnecessary programming as well as messed-up programming. Over the years, lines of programming have been added here and there and they don't all work correctly.

4.) The Committee members were reminded that there are still volunteers needed for the Taste Of Mardi Gras event this Saturday. Most of the spots revolved around setting up and taking down the event.
